Fitness and Healthy Living
Courageous Conversation and Live Well Fair

Struggling with the issues associated with living a healthier life?

At the Courageous Conversation, learn:
- The advantages to a preventative lifestyle
- How to identify and overcome the obstacles to healthy eating and active living.
- How support groups can work for you.

Participants of the LiveWell Fair include:
- Trailnet
- City of Ferguson - ParksPac; Farmer's Market; LiveWell
- Health Professionals

Date: May 2nd, 2008
Place: Ferguson United Methodist Church - 33 S. Florissant Rd
Time: Courageous Conversation - 10:00am - 11:00am
      Live Well Fair - 11:00am - 1:00pm

For more information, please contact Emily Springer at 314-256-3705.

  - 800 participated (expected 100)
Community Gardens
Griffith School Rendering Project

EXISTING CONDITIONS:

Image Caption: The above image shows the existing crosswalk adjacent to Griffith Elementary School near the intersection of Chambers Road and Day Drive.

A COMPLETE STREETS OPTION:

Image Caption: The above image is a rendering of what a complete streets treatment of the site could look like. In this scenario, students would have a shorter distance to cross the street; there would be more signage to alert drivers of the crosswalks, the intersection at Chambers and Day would become a true intersection, Chambers would be put on a “road diet”, and bike lanes would be added.
DESIGN PRINCIPLES

PRINCIPLE 6:
Implement a park and school bicycle and pedestrian loop with cross-town connectors by utilizing improved on-street sidewalks and bikeways, new off-street trails and connectors, wayfinding signage, community programming, and public awareness initiatives to connect all Ferguson parks, elementary and middle schools, high schools, downtown Ferguson, West Florissant Road, the Ted Jones Trail, and the Maleme Greenway with an identified route for pedestrians and cyclists.
