- 小生意發展

Boston Chinatown  
Master Plan 2010

# Implementation Plans

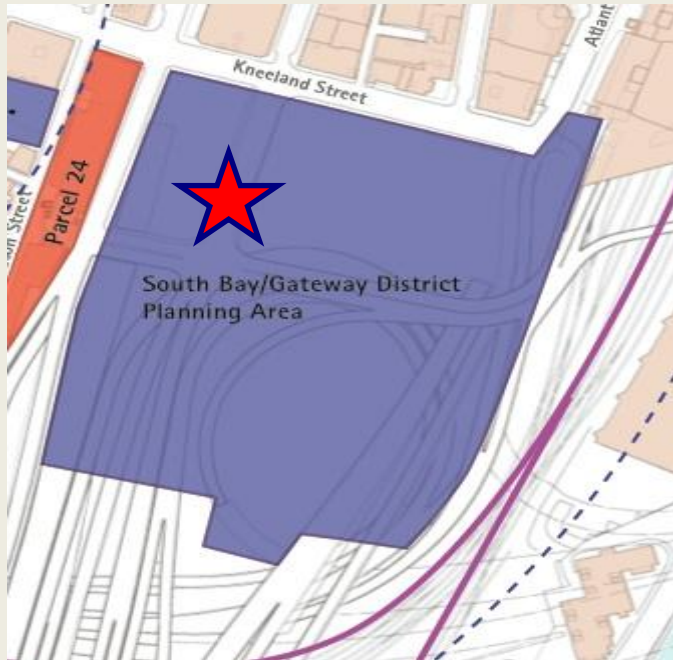

- Continue to preserve existing subsidized housing
- Create 1000 new or newly preserved affordable units over next ten years
- Work with the City to encourage lower priced market and mixed income
- Work with universities to provide more dorm housing for their students
- Bring public library services back to Chinatown through a City/community partnership
- Advance and monitor community hiring agreements with new developments
- Job training programs that create pathways to new construction and permanent jobs.
- Develop permanent campus for Josiah Quincy Upper School in Chinatown
- Investigate opportunities to reduce/mitigate traffic impacts and air pollution
- Work for clean and safe streets

# 25地段 Parcel 25
