New
Partners
2015

Come meet your colleagues working on health and built environment issues around the country!

- ✓ Discuss your experience integrating smart growth strategies into your work as a health professional or how you'd like to get started.
- ✓ Exchange information with other health professionals about their experiences in smart growth practices, what worked, what didn't, and insights gained.
- ✓ Help identify core competencies for health agencies working on smart growth and how to develop staff to work on these issues
- ✓ Participants will walk away with new ideas and a network of health professionals to call on for technical assistance.

Light refreshments will be provided.

Space will be limited, so get there early!
