Overall Development Goal

Transforming South Memphis into the region’s premier neighborhood of choice by dramatically improving the overall quality of life through a resident-led and managed comprehensive community development strategy
Specific Development Objectives

• Improve access to **primary health care** services (No local providers, 60% uninsured)

• Insure access to high quality, affordable, and culturally appropriate **foods** (No full service market for 3 miles)

• Expand quality **housing** options, especially for low-income renters (Recent emphasis has been on home ownership)
Development Objectives II

- Expand living wage employment and entrepreneurial opportunities for local residents ($156 m in HOPE VI, < 20 jobs)
- Support resident efforts to reduce the incidence of violent street crime (Address lack of treatment, jobs, and re-entry programs)
- Enhance the beauty, safety, and functionality of the public realm to encourage investment
- Promote alternative transportation options for local residents
The Peoples’ Plan for Building a More Vibrant, Sustainable and Just South Memphis

• Involved nearly 1,000 residents
• Endorsed by more than two dozen local institutions
• Won State APA Award for Excellence
• City Council voted 13 to 0 passage of the plan
• Adopted as city-wide best practice

<tr>
<td><strong>Summer Sports Leagues</strong>&lt;br&gt;Collaborate with Memphis City parks Commissions, youth recreation organizations, local schools, community churches and area corporate and community philanthropists to establish a major new summer basketball league for South Memphis boys, girls, men and women at Southside Park—Memphis’ own Rucker League!</td>
<td><strong>Substance Abuse Treatment Initiative</strong>&lt;br&gt;Develop a new substance abuse prevention, interventions, and treatment program in the community designed to address the most serious addiction problems confronting South Memphis residents. The Community’s extensive network of faith-based organizations will be used to educate local residents on the basics of addiction and treatment.</td>
<td><strong>Primary Health Care Clinic</strong>&lt;br&gt;Mobilize students, faculty, and staff from the city and region’s hospitals and clinics to work together to establish a cooperatively managed primary care facility in South Memphis offering medical, dental, and psychological services on a sliding scale.</td>
</tr>
<tr>
<td><strong>Human Services Directory</strong>&lt;br&gt;Prepare a comprehensive directory of human service programs available to South Memphis children and families. This directory would be available online and in hard copy. The directory will be updated, on a regular basis, by graduate students from The University of Memphis’ Graduate Program in City and Regional Planning.</td>
<td><strong>Farmers Market Project</strong>&lt;br&gt;Conspire with local farmers, public health officials, and economic development specialists to create a high-quality retail vendor food market to provide local residents and workers with access to high quality, affordable, and culturally appropriate foods. The farmers market would also be used as a venue for public health events.</td>
<td><strong>Community Health Insurance Project</strong>&lt;br&gt;Establish a low-cost health insurance program to complement the coverage made available through Tennessee Care along the lines of Tompkins County Health Care Plan that provides a wide range of coverage for basic services for families at a cost of $165.</td>
</tr>
<tr>
<td><strong>Neighborhood Wellness Campaign</strong>&lt;br&gt;Initiate a community-based health and wellness program in which peer health advisors instruct local residents on topics related to diet, exercise, family planning, parenting, conflict resolution, and other topics central to creating healthy children, families, and communities. Behavioral shifts towards healthy living will be supported by the organization of mutual support networks. Improvements in the health referral system will be carried out.</td>
<td><strong>Healthy South Memphis on the Move</strong>&lt;br&gt;Recruit, schedule, and market the public health education, screening, and direct service activities of the city and region’s largest health care providers by bringing their mobile health clinics to the site of the soon-to-be-established farmers market site on a regular basis. Increase the number of local residents referred to and seen by local health providers on a regular basis as a cost effective alternative to the use of local emergency rooms.</td>
<td><strong>Café Reconcile in Memphis</strong>&lt;br&gt;Collaborate with local chefs, eateries, and the U of M Hospitality School to establish a healthy eating outlet serving tasteful food at reasonable prices that will employ and train individuals recently released from jail and prison who, following an intensive three month period, can be employed by other fine dining restaurants. This program is based upon a very successful eatery in the Midtown section of New Orleans.</td>
