

# Local Day New Partners in STL

WEDNESDAY, FEBRUARY 1 | ST. LOUIS, MISSOURI

## Protected Bike Lane Pop-up

8:00 AM-3:00 PM | PINE ST. BETWEEN 7TH & 9TH, DOWNTOWN

Join us downtown on Pine Street to help install a protected bike lane, and see how it works. This pop-up demonstration will help St. Louis residents and city officials learn more about the potential benefits of a permanent protected bike lane in this location. As the City of St. Louis starts a Downtown Transportation Plan, the pop-up lane will demonstrate how to improve safety and bikeability in St. Louis! The pop-up is three blocks south of the Marriott St. Louis Grand Hotel. From the front door of the hotel, turn right and walk south on 8th Street until you see the pop-up.

## D.I.Y. Great Cities: What to Do, Why Do It and How to Get It Done

1:00-6:00 PM | MARRIOTT ST. LOUIS GRAND HOTEL | LANDMARK 5 ROOM

FREE and open to the public as well as conference attendees. No need to register – just show up at least 30 minutes early to get checked-in and get your seat! Creative placemaking and “tactical urbanism” projects are sweeping St. Louis and the nation, helping cities make high-impact, community-led improvements to streets, neighborhoods, parks and more. This free workshop will cover cutting-edge tools and concepts: crowdfunding for community empowerment; pop-up events and demonstrations; activate local youth to implement smart growth; integrating arts into neighborhood placemaking; and street safety and signage. Workshop leaders include local and national placemaking and smart-growth experts, as well as community leaders showcasing exciting projects in St. Louis.
