A woman with dark hair in a ponytail is laughing joyfully while holding a baby. The baby is wearing a red long-sleeved shirt and blue pants with a colorful pattern. They are outdoors in front of a yellow house. In the background, a playground with purple and yellow equipment is visible under a blue sky with some clouds.

# THE GREENLINING INSTITUTE

We envision a nation where race is never a barrier to economic opportunity and communities of color thrive.

**EQUITY IS NOT A SPECIAL INTEREST,  
IT IS A COMMON ONE**

**AN ECONOMY OR MODEL OF  
DEVELOPMENT THAT  
LEAVES SO MANY BEHIND SIMPLY  
CANNOT BE RIGHT.**

# TRANSFORMATIVE CLIMATE COMMUNITIES

The TCC program empowers the communities most impacted by pollution to choose their own goals, strategies, and projects to reduce greenhouse gas emissions and local air pollution

## TRANSFORMATIVE REQUIREMENTS

- Implement strategies to avoid displacement of households and small businesses
- Ensure community engagement in all phases of plan development and implementation
- Advance climate adaptation and resiliency

# MOBILITY EQUITY

A decision-making framework that meets the specific mobility needs of low-income communities of color, increases access to clean mobility options, reduces air pollution, and enhances economic opportunity.

# ADVANCING SOCIAL EQUITY

Who is missing from the decision making table?

What are the benefits and burdens and who is impacted?

Are we addressing community identified needs with actions that lead to meaningful, direct, and measurable equity outcomes?
